Donn - I wanted to finalize the agenda and was checking in. Otherwise, I was getting some queries and wanted to send out a reminder notice today and then send the agenda when it is final.

Yes, thanks. Let me think about this after our team meeting this week. There may be several items...

Donn,

I was just talking to Ken who was kind enough to inquire about the meeting next week and get me thinking about it. Since this is the "big" one, I am following the agenda from February and have also added the presentation from GBF that we talked about on the grant. Ken is going to coordinate with David. It works for him otherwise.

Let me know if you have any comments or thoughts. Once done, as I mentioned earlier, Jessica can send it out.

Thanks,
